Board Policies for Review (#5305; #5350; #5700)

Mr. Lesiak presented one new policy and proposed revisions to two existing policies for board consideration and discussion.

5305 - Electronic Communication Devices (Students) - proposed new policy

LB 140 requires schools to have policies prohibiting the use of cell phones and other electronic devices while at school or attending a "school instructional function." This policy was provided to us by the Perry Law Firm (through ESU 3), and developed with input from stakeholders (as required by LB140). It provides that access to and use of personal electronic communication devices during school hours on days school is in session is prohibited on school property or while students are attending an instructional function unless one of the listed exceptions applies.

5350 - Student Dress (Students) - revisions to existing policy

Section 79-2,158 requires each school district to adopt a written dress code and grooming policy to be implemented at the start of the 2025-26 school year that is consistent with the model policy developed by the State Department of Education. We've revised our policy to be consistent with the Department's model policy.

5700 - Parental Involvement and Participation (Students) - revisions to existing policy

Due to the changes made to 6320, this policy needed to be revised to fix cross references and to move the language about parental visits to schools into 6320.

Policies will be presented again for approval at the July 14, 2025, Board of Education Meeting. Copies of each policy and the Executive Summary are included in the board documents folder.

State Aid Review

Mr. Brian Gabriel, District Officer of Business and Finance, presented the annual review of the State Aid formula, budget implications for FY26 and funding scenarios with an anticipated decrease in State Aid of approximately \$1.1 M. Upcoming budget presentations include: FY25 Budget Amendment Public Hearing on 8/18/25; FY26 Budget Update on 8/18/25; FY26 Budget Public Hearing on 9/8/25; FY26 Property Tax Request Public Hearing on 9/22/25; approval of FY26 Budget on 9/22/25; and approval of FY26 Property Tax Request on 10/6/25. Copies of the Executive Summary and slide presentation are included in the board documents folder.

Human Resources Annual Report and Strategic Plan Goal #2: Supported and Engaged Staff

Dr. Andrea Haynes, Assistant Superintendent of Human Resources and District Operations, and Ms. Melanie Connolly, Director of Employee Information Systems, presented the Annual Human Resources (HR) Report covering the 2024-2025 school year. This yearly report provides an overview of the projects and programs of the Human Resource Department and year-to-year comparable data, which the District uses for informed decision-making processes. This marks the fifth year for the Annual Report. In addition, Dr. Haynes included a focused analysis of Strategic Plan Goal #2: Supported and Engaged Staff. Copies of the Executive Summary and slide presentation are included in the board documents folder.

Personnel Report: Employment Actions Related to the Contracts of Certified Staff Members

Dr. Haynes presented the personnel report (one probationary contract; one certified staff resignation; non-approval of two certified staff resignations) for board approval. Ms. Blakely moved for approval; Dr. Van Gelder seconded. Motion carried by unanimous roll call vote. A copy of the personnel report is included in the board documents folder.
