- ❖ Ms. Lindburg asked if the concerns are about preservation or keeping the traffic and community public space. Mr. Zimmerman confirmed that both designs presented address all these concerns.
- ❖ Ms. Lindburg asked if future upkeep and maintenance on an older, preserved building space has been accounted for in future costs. Mr. Herzog confirmed yes, it has been accounted for and there will be some improvements in the project to bring the space up to current code and in keeping with maintenance standards.

### **Cost Tracker Report Review:**

- Mr. Herzog reviewed cost trackers, Master Project Summary Dates, Bond Phase II Project Status, and Bond Phase II Design/Construction Schedule.
- No significant changes to the construction schedule, summary dates, and project status documents.
- The committee reviewed and discussed the Escalation/Bond Proceeds Project Contingency Log. There is a deficit of costs at Westbrook that will likely be covered by bond premiums in the July tranche, cost savings at Hillside, and using contingency funds.
- ❖ Ms. Christiansen asked if the concern is about risk and not making budget. Dr. Lucas stated there is not a concern because there will be tranche premiums coming in July along with the contingency already part of the overall bond budget.
- ❖ Ms. Murray asked how to answer questions about the deficit with the constituents. Mr Herzog explained the additional scope was to accelerate improvements at Westbrook to keep equity withing the Elementary schools.
- ❖ Mr. Decker asked will July be the final tranche. No, the July tranche will be for about \$40 million with a remaining \$30 million left for a future tranche.

- ***Ms. Christiansen motioned to present the overages to the BOE and to proceed with the projects using the overall contingency/escalation funds. The motion was seconded and approved to present to the BOE.***

**Bond Status:**

- The next bond tranche is expected to happen in June/July 2025.

**BOC terms proposal to the BOE:**

- The Committee discussed the original committee's responsibilities and terms documentation, with a recommendation to keep committee members active by bond phase to maintain institutional knowledge by keeping a rotating mix of new and experienced members on the committee in both phases.
- ***Ms. Christiansen motioned for approval to present the terms change recommendation to the BOE that will be approved at the next BOE meeting on June 16, 2025. The proposal was seconded and unanimously approved.***

**BOC Chair:**

- The proposal to rotate the chairperson role annually was discussed and the group was asked for a volunteer. Sean Conway volunteered and it will be officially voted on at the June 2025 meeting with his term to start with the August 2025 meeting.
