

Paddock Road Families,

It's been a wonderful start to the school year in music class! As we move into the second quarter, students are continuing to learn, sing, and prepare for upcoming performances.

Our 3rd and 4th grade students have been busy preparing for their music program, which will take place on Tuesday, November 18th at 6:00 p.m. at Westside Middle School. Please refer to my email communication on Thursday, October 23rd for more information on this event.

Our 6th graders have been working hard in preparation for the Sixth Grade Vocal Music Festival, held on Thursday, November 13th at 7:00 p.m. at Westside High School. Please refer to my email communication on Monday, October 20th for more information on this event.

For grades Kindergarten, 1st, 2nd, and 5th, we've been diving into our new Quaver Music curriculum lessons. These classes have been focusing on musical concepts such as meter, singing technique, reading music notation, and more. Students have shown great enthusiasm for these interactive lessons, and we'll continue building on these skills throughout the second quarter.

I'm proud of all the progress our Paddock Road students are making and look forward to more music-making ahead.
